Alex Ostapyuk

(929) 462-4243
alexostap2003@gmail.com

Skills

- Knowledge in C++ (Object Oriented Programming)
- Knowledge in Python
- Can Speak in Ukrainian and Russian
- Quick learner
- Problem Solving Skills
- Can work with groups

Experience

July 2022 - August 2022

The Greater Ridgewood Youth Council *(SYEP)*
Position: Helper

> In this job, I had to work with a group of people to watch over students and help out with their activities. As a helper, I would help the staff set up, watch over the students and make sure that everyone is following the rules. The main aspects I learned were patience, communication and teamwork.

Education

August 2021 - Present

Hunter College, *Manhattan*

Current GPA: 3.37

Current Major: Computer Science

February 2024-May 2024

CodePath, CYB101

-Intro to cybersecurity where I learned about the dangers of malware, how to counteract and avoid dangers. Done several labs and projects assigned to refine my knowledge.

July 2024-Present

Headstarter Fellowship

-Currently undergoing a fellowship program that will guide us to making several AI projects, which will be combined to make one big project. The goal of this fellowship is to understand how to implement AI into our code and how to use it properly.
